Close-Reading Questions

Refer to the text set “The Civil Rights Movement” to respond to the questions below. Reread the articles or rewatch the videos to find details that support your answers. Remember to write in complete sentences.

1. How have African-Americans experienced discrimination in the U.S.?

2. What were some nonviolent ways people fought for equality? Give two specific examples.

3. Choose a civil rights leader and explain how he or she worked to bring about change.

4. Select a photo or video clip to analyze. What does it show? How does it help you better understand the events of the time period and what people were feeling?
