Dear Parent/Caregiver,

I would like to purchase Scholastic’s educational magazines for all of the students in my class. This resource will allow me to create a seamless transition between remote and in-class learning.

If your child is at home, they can use the stories, videos and activities completely online. Each self-contained lesson is highly engaging and sure to maintain your child’s interest from beginning to end.

When your child is in school, they’ll use the exact same resources—creating a continuous, uninterrupted learning experience.

With your contribution, your family will receive complete digital access to the magazine’s website, featuring high-interest stories, videos, learning games and more.

Your help in making these valuable resources a part of your child’s education is greatly appreciated. Please send cash or a check made payable to SCHOLASTIC CLASSROOM MAGAZINES in the amount of $________ so that we can start using these tools as soon as possible.

Thank you in advance for your continued support as I try to find new ways to make learning as meaningful and successful as possible during this unprecedented school year.

Sincerely,
